REMOVEABLE BAND SECTION

The diagram shows a top-down view of a circular device. It features a central circular hole, surrounded by a thick ring. This ring is further enclosed by a square frame with rounded corners. A red crosshair is drawn over the center, with labels 0°, 90°, 180°, and 270° at the top, right, bottom, and left respectively. A dimension line at the bottom indicates a width of 8 inches. A section line at the bottom is labeled 'REMOVEABLE BAND SECTION'.

1. TANK IS MANUFACTURED TO ASTM-D-1998 STANDARD.
2. ALL DIMENSIONS ARE APPROXIMATE.

A technical line drawing of a cylindrical container mounted on a four-legged metal stand. The container is labeled 'A' and the stand is labeled 'B'. The stand has a square base and a central vertical support. The container is positioned on the stand, and its height is indicated by a dimension line on the right side of the drawing.
